- Neonatology

Biography

Dr. Yao Sun is medical director of the William H. Tooley Intensive Care Nursery at UCSF Children's Hospital. He uses his expertise in medical informatics, a field at the juncture of medicine and computer science, to keep the intensive care nursery on the cutting edge of patient diagnoses and treatments.

Sun is an associate professor of clinical pediatrics in the UCSF Division of Neonatology. He received his medical degree from UCLA, received a doctorate in computer science from MIT, and completed a residency in pediatrics and a fellowship in neonatology at Children's Hospital Boston.
