

Rachel Perry, RN

Clinical Nurse Coordinator
Fetal Treatment Center
Management of Myelomeningocele Study (MOMS)

Biography

Ms. Perry is a Clinical Nurse Coordinator at the UCSF Fetal Treatment Center. After receiving her nursing degree in 2004 she began her career in the Intensive Care Nursery at UCSF. She gained expertise in caring for both preterm babies and babies born with birth defects. In 2007 Rachel joined the Fetal Treatment Center as the nurse coordinator and specializes in pregnancies complicated by spina bifida.
