

Tara Morgan, M.D.

Assistant Professor in Residence

Curriculum Vitae

Education

- University of Maryland School of Medicine, Baltimore

Residencies

- University of Maryland, Baltimore - Diagnostic Radiology

Fellowships

- University of California, San Francisco - Abdominal Imaging

Clinical Expertise

- Abdominal Imaging and Ultrasound

Biography

Tara Morgan, MD, is an Assistant Professor in Residence in the Abdominal Imaging and Ultrasound section in the Department of Radiology and Biomedical Imaging at the University of California, San Francisco. In 2007, Dr. Morgan received her medical degree from the University of Maryland School of Medicine in Baltimore, Maryland. She did a one-year internship from Virginia Mason Medical Center in Seattle, Washington, 2007. From 2008-2012, Dr. Morgan completed a Diagnostic Radiology residency from the University of Maryland, followed by a fellowship in Abdominal Imaging from UCSF, in 2013. In January 2014, Dr. Morgan accepted the position of Assistant Professor in Residence at UCSF Mount Zion and Parnassus.

Dr. Morgan has interests in ultrasound and female pelvis MRI. She is involved in a ultrasound research project collaborating with transplant surgery on ultrasound findings following pancreas transplantation, specifically splenic vein thrombosis and clinical outcomes.
